Acquisition of Prestwick Circuits GPS Ltd by Finline VAR Ltd

9th April 2018

We are pleased to announce that as of 4th April 2018, Prestwick Circuits GPS Ltd has been acquired by Finline VAR Ltd.

Finline VAR Ltd are the UK subsidiary of Finline Global, one of the world's leading suppliers of printed circuit boards and solutions to the global electronics industry.

The acquisition demonstrates Finline's confidence in and commitment to the UK market, in addition to marking a further step in Finline's growth strategy and continued success. More information on Finline Global can be seen at www.finline-global.com

Prestwick have been a successful company and will be further strengthened with Finline's advanced IT systems, sales structure, supply chain operations and management support. Additionally, with operations across all major EU countries, Israel, Asia and the US, we can offer strong local representation for customers across all regions.

Customers will experience no change to the way business is transacted, the company name and all details remain unchanged. You can continue to count on service and support from the service team and contacts that you currently have. Jim McDonald will continue as Managing Director of Prestwick Circuits GPS Ltd and will be supported by Clive Wall, Managing Director of Finline VAR Ltd.

And finally, your satisfaction is important to us and we do want to hear from you. Should you have any comments, questions or concerns, please contact Clive Wall or Jim McDonald.

We thank you for your continued support.

Yours sincerely

Jim McDonald
